Dear Valued Partner:

U Prep Schools has been actively monitoring the coronavirus crisis, and has acquired information from the Center for Disease Control, the World Health Organization, along with the use of best crisis management practices to ensure we make informed decisions in the best interest of our students, families and our entire school community.

In light of recent developments in Michigan, we have decided to suspend all after school and aftercare activities, at all of our campuses until further notice. This was not an easy decision, but ensuring students' safety is of the utmost importance to us. We will be sure to keep you updated on all developments, and we appreciate your patience, flexibility and partnership as we remain committed to keeping student safety at the forefront.

Sincerely,

Danielle Jackson
Interim CEO
